Partner Building activity

Venue

Cercedilla (Madrid)

Cercedilla is a small village around 1 hour away from Madrid. Cercedilla is a very nice place, in the mountains and surrounded with nature and forest; a quiet place with a nice working atmosphere.

Begin date and end date

16th - 20th October

Summary: (Short Description)

In the actual context, it is important to analyze which are the characteristics and methodologies that facilitate youth employability. Even more, if they are related to youngsters with fewer opportunities. There are plenty of experiences trying to find innovative solutions to the actual problem of youth unemployment.

Objectives (Full description + timetable annex)

The main aim of this seminar is to gather and share projects and innovative experiences that promote youth employment, so that we can take advantage of ideas, resources...coming from different contexts.

1. To exchange experiences among European organizations that are working in the development of new ways, original and creatives for the development of youth employment.
2. To compare the situations in each country and the strategies that are being developed to solve the problem of unemployment and improve the employability of the youngsters.
3. Analyze the possibility of establishing common projects that could promote youth mobility.
