

COMETS

TRAINING COURSE ON THE ETS COMPETENCE MODEL FOR TRAINERS

COOPERATING SUCCESSFULLY IN TEAMS

13-19 MARCH 2019, GREECE

The **intentions** of this COMETS are to...

- Reflect on the concept of team work from different perspectives;
- Explore empathy, respect, honesty and integrity;
- Reflect on and explore the attitudes of teams & team members;
- Explore ways to stimulate, support, and empower teams and team colleagues;
- Explore working with emotions in a team context;
- Raise awareness about own challenges and strengths in teamwork.

The **competences** that this COMETS tackles are:

- Contributing actively to team tasks
- Being willing to take on responsibility
- Encouraging and involving other team members
- Learning with and from others
- Being aware of the team processes and how they affect the team's effectiveness
- Managing disagreements effectively
