

LINGUISTIC WORKOUT!

ENGLISH COMMUNICATION COMPETENCES FOR TRANSNATIONAL YOUTH PROJECTS (A2-B1)

OCT 18

Welcome!

Arrivals day and after-dinner short welcome and get-to-know activity.

OCT 19

You will get to know the course, your group, and learn how to talk about your job and organisation in order to start partnerships and projects using NFL approaches.

Methods: interactive exercises, learning needs analysis and teambuilding activities.

OCT 20

You will gain practical *knowledge* about the functioning of Erasmus+ projects taking into consideration cultural differences and working styles in communication.

Methods: information session E+ functional vocabulary, simulation exercises and team-building games.

OCT 21

You will work on the *attitudes and values* to develop effective communication in transnational projects.

Methods: role-play activity, vocabulary acquisition activities and intercultural time.

OCT 22

You will put in practice public speaking and presentation *skills* to introduce your organisation to start partnerships and projects.

Methods: presentation exercise, project development guidelines and teamwork.

OCT 23

You will test your acquired *competences* (knowledge, attitudes/values, skills) in project development and presentation.

Methods: presentation and active listening space, evaluation activity, self-assessment exercise, and competence identification.

OCT 24

Work it out!

Departures day and...

...You did it! Congratulations!
